Dear Parents and Carers,

Curriculum Overviews

For an overview of what children will be learning this term please follow this link to view the curriculum overviews published on our website. <https://www.wychwood-pri.oxon.sch.uk/blogs/curriculum-overviews/>

Design and Technology Project

This term the whole school will be embarking on a shared Design and Technology project which will culminate in a whole school picnic on June 21st. To help us with resourcing food and materials we would very much appreciate if you could support us with donations to be made on Parent Pay. We are suggesting £3, but any donations will be gratefully received.

Art Project

We are pleased to have the Kingham Lodge Art Project back working with us next week. You will remember that they ran sculpture workshops last year. This year they will be leading Pop Art workshops! Because the artist will be using acrylic paint we are suggesting that children wear old non school uniform clothes on the day they are taking part with the art project. See below:

Monday: Reception, Willow, Silver Birch, Cherry, Chestnut and Rowan

Tuesday: Oak, Elm, Sycamore, and Maple

Village Trail

You may have noticed posters around Shipton and Milton with a QR code that lets you download a free children's village trail. I am very pleased to say that the Ascott trail is now also ready and all three trails are attached. We are so lucky to live in such beautiful villages that have a wealth of history and these trails are a fun and accessible way for children and adults alike to discover more about where they live. There are posters around all three villages and paper copies are available in various locations, including the library. If you haven't yet tried any of these trails, do give them a go. They are in two or three parts, with optional amounts of walking and do not have to be completed in one session.

Swimming

Unfortunately we have had to cancel some sessions this week due to a boiler issue. We expect this will be mended ready for a full week of swimming next week. Thank you for your understanding.

LKS2 Quad Kids

Mrs Napper and Miss Rumsby took some of the children from Year 3/4 to Quad Kids as part of the Burford Partnership Competition. I am pleased to share that the children performed well and our A team won the competition! Well done!

School Lunches

We have been advised by Dolce that school meals will be going up by 10p from September to £2.50 per meal. This will affect all children in Years 3-6 in September.

Wellytastic Week 17 - 21 June

Do you have wellies that your child has grown out of? Are you thinking you'll need to buy a new pair soon? Hold that thought! The Eco Support Group would like you to bring in any not-needed pairs of wellies during the week 17-21 June. You can drop them off in the playground at drop off or pick up. Then after school on 20+21 June these will appear on a pre-loved welly stall in the playground. No money required - just turn up and choose the new size wellies for your child. Better for the bank balance AND for the environment. Win-win!
